

## BULK ITEM PICKUP

The Board of Commissioners is instituting a weekly bulk item pickup in lieu of a special day for disposal of these items as in the past.

The Township's bulk item pickup program was established to give residents a convenient method to dispose of **LARGE** bulk items. A good rule of thumb to follow to identify what is **NOT** a bulk item is, **"IF ITS FITS IN A BAG, IT GOES IN A BAG."** **Items that are small enough to be placed in a trash bag should not be bundled and placed curbside as a bulk item.**

The hauler has been informed to comply with the procedures established and will not pickup any item that does not comply with instructions set forth. As always, the Township will make the final decision as to whether an item is in compliance or not.

**Remember - one bulk item per week.**

**A good rule of thumb is: "If it fits in a bag, it should go in a bag!"**

Bulk items cannot be put out for curbside prior to 24 hours from pickup date.

Arrangements must be made for the pickup of metal items. To schedule a metal item for pickup call the Township at 637-1561 before 2:00 p.m. on Wednesday for items to be picked up curbside on Thursday.

### Acceptable Bulk Item Examples:

Appliances (**metal pickup-please call to schedule pickup**)

Carpet (48" maximum length, rolled and tied - one roll per week)

Furniture (one piece per week)

Mattresses and Box Springs
