**SECTION 307**  
**OPEN BURNING AND RECREATIONAL FIRES**

**307.1 General.** A person shall not kindle or maintain or authorize to be kindled or maintained any open burning unless conducted and approved in accordance with this section.

**307.2 Permit Required.** A permit shall be obtained from the fire code official in accordance with Section 105.6 prior to kindling a fire for recognized silvicultural or range or wildlife management practices, prevention or control of disease or pests, or a bonfire. Application for such approval shall only be presented by and permits issued to the owner of the land upon which the fire is to be kindled.

**307.2.1 Authorization.** Where required by state or local law or regulations, open burning shall only be permitted with prior approval from the state or local air and water quality management authority, provided that all conditions specified in the authorization are followed.

**307.2.2 Prohibited open burning.** Open burning that will be offensive or objectionable because of smoke or odor emissions when atmospheric conditions or local circumstances make such fires hazardous shall be prohibited. The fire code official is authorized to order the extinguishment by permit holder or the fire department of open burning which creates or adds to a hazardous or objectionable situation.

**307.3 Location.** The location for open burning shall not be less than 50 feet (15,240mm) from any structure, and provisions shall be made to prevent the fire from spreading to within 50 feet (15,240mm) of any structure.

**Exceptions:**

1. Fires in approved containers that are not less than 15 feet from a structure
2. The minimum required distance from a structure shall be 25 feet where the pile size is three feet or less in diameter and 2 feet or less in height.

**307.3.1 Bonfires.** A bonfire shall not be conducted within 50 feet of a structure or combustible material unless the fire is contained in a barbecue pit. Conditions which could cause a fire to spread within 50 feet of a structure shall be eliminated prior to ignition.

**307.4 Attendance.** Open burning, bonfires or recreational fires shall be constantly attended until the fire is extinguished. A minimum of one portable fire extinguisher complying with section 906 with a minimum 4-A rating or other approved on-site fire extinguishing equipment, such as dirt, sand, water barrel, garden hose or water truck shall be available for immediate utilization.
