LAWN MAINTENANCE

The Township Code states that property owners shall not allow the grass and weeds on their property to grow taller than 10" high. This includes the grass and weeds that grow in and along the roadway, curb and sidewalk areas. The Code also prohibits grass from being deposited onto the street. Please direct the mower discharge back to the yard area or pick up the grass in the street when finished mowing.

3. Signs advertising yard sales cannot be placed on any road sign, including stop signs, speed limit signs, signal poles, etc. Signs may be taped or tied (not stapled or nailed) to wooden utility poles. Signs on private property or in the public right of way may not impair vehicular sight distance.

Any sign not promptly removed or which represents a safety hazard will be removed by the Township at the expense of the permittee.

When you recycle clothing and textiles by depositing them into a Community Aid bin located in the Township, including the Township’s recycling drop off center, you are not only helping your neighbors in need, but also supporting the Township’s recycling program. You are encouraged to drop your clothing and textiles into one of their light brown clothing collection bins.

FREE RESIDENTIAL DOCUMENT SHREDDING

If you have sensitive or private documents that need to be destroyed, we offer shredding events in the Spring and Fall. The Township hires a company to shred confidential records for residents only at no charge. The shredded material is then recycled. See the Township Newsletter or visit the Township web site for details on the next shredding event.

Burn rings are allowed with burning contained within the ring and not located within 25 feet of any structure or combustible materials. When using burn pits they must be attended by an adult at all times.

Should you choose to do any type of burning, please be considerate of your neighbors to make sure the smoke created is not objectionable.

Materials that can be recycled such as newspaper, magazines and cardboard are prohibited from being used as a fuel source.

SNOW REMOVAL

All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions, including snow and ice.
