

Family Fun Night in the Park

Later this week, I will host a Family Fun Night at Penn Township Community Park, 4601 Grandview Road, on Thursday, July 12, from 5:30-7:30 p.m.

My staff and I will be joined by local government officials for an informative and fun evening. This summertime event will boast activities for residents of all ages. Though there will be legislative discussion, children are encouraged to attend.

My office will have kids' games on hand and children can also play on the Kids Kingdom playground at the park. Or they can share their views on and learn about state matters.

Members of local government, first responder agencies and service providers will also be in attendance to discuss issues with residents. Children and adults will also be able to check out police vehicles and fire apparatus.

Free Italian Ice will also be available to attendees.

To RSVP, call my office at (717) 630-8942, or go to my website, www.RepKlunk.com, for more information.
