

KIDS KINGDOM
PICKET PICK UP

The original engraved pickets that have been salvaged from Kids Kingdom can be picked up Saturday, October 9, from 8 am to noon. Pick up will be at the Penn Township Public Works Facility at 976 Wilson Avenue. This will be a one day pick up only. For those picking up pickets, information will be attached to your picket on how to order a new picket for the new playground scheduled to open in the Summer of 2022. New picket order forms are also available at the Township building. Any pickets not picked up that day will be discarded. If you plan on picking up a picket on October 9, please call the Township Office prior to October 4th, with the names of the pickets that you would like returned. Office hours are Monday through Friday, 8 a.m. to 4:30 p.m. The number is 717-632-7366.
